Part 2: Mentors

To foster a more comprehensive development experience and broader professional growth, this mentorship scheme aims to go beyond the traditional dyad mentor model and to give mentees the opportunity to connect with a diverse panel of mentors, enabling them to draw from the expertise and strengths of each mentor.

The number of mentors you would like to connect with is up to you – you can add only one mentor or copy and paste the table below to add up to 3 mentors. Note that the number of mentors you add will not affect how your application is reviewed. What is important is the value added to your career/project aims and alignment with the SCAF mission.
