

CAREER DEVELOPMENT WORKSHOPS

Understanding the Open Research, Knowledge Exchange and Impact landscape and its relevance to academic career

(Prof Nicol Keith - ICS Director of Research Impact)

Thursday 21st March, 12-1pm, WWCRC Lecture Theatre

The workshop will cover:

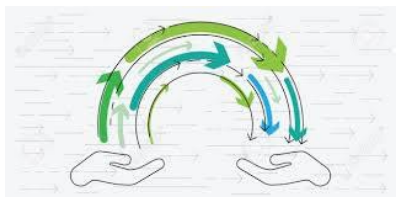

- Why do universities care so much about open research, knowledge exchange & research impact beyond academia?
 - What's in it for you?
 - Solving problems that matter
 - Working with others outside academia

Grant application clinic

Thursday 28th March, 12-1pm, WWCRC Lecture Theatre

This top-tips workshop will cover:

- The nuts and bolts of how funding committees work and what they are looking for
 - How to develop your ideas and CV to maximise the chances of success
